

## PROJECT ARCHITECT

Feldman Architecture is an award-winning architecture firm specializing primarily in custom residential design with a portfolio expanding to include a range of commercial projects. The studio's culture is inclusive and casual; all members of our firm collaborate with each other, clients, and consultants to create smart and sustainable solutions with conceptual clarity and precise detailing. We are seeking a highly motivated, personable, and detail-oriented individual to join our staff as a Project Architect.

The ideal candidate shares our aesthetic sensitivity and commitment to environmental stewardship and has the exceptional technical abilities to work primarily as part of a small team while also efficiently handling independent tasks. They will have significant residential design experience (new construction and/or remodeling), as well as a demonstrated ability to detail residential projects, and Revit proficiency. Experience in putting drawing sets together at all stages of design and documentation, coordinating consultants and project teams/deadlines is required.

The position offers an enthusiastic, talented individual the opportunity to share ideas on design concepts in a collaborative environment and to develop technical and design skills while working on compelling projects in various phases.

The position is full time with a competitive benefits package that includes medical, dental, 401K, a transit plan, continuing education funds, and reimbursements for ARE and LEED AP exams.

## QUALIFICATIONS

- Bachelor or Master of Architecture degree required
- 7-10 years of architecture experience
- 5-6 years residential architectural experience
- Proficiency in Revit, SketchUp, Excel, and Adobe Creative Suite
- Knowledge of construction documentation methods.
- Knowledge of Type V construction, including appropriate products, specifications, and detailing.
- Experience with Consultant Coordination, including Structural, Civil, Landscape, Lighting, Mechanical, Geotechnical and Surveyors.
- LEED AP a plus. Alternately, experience working on LEED projects and advancing towards LEED AP designation.

LOCATION: Work from home but must be located in the Bay Area.

HOW TO APPLY:

For consideration, please email your cover letter, resume and 3-5 pages of work samples (5mb files max please) with "Project Architect" as the subject line to [resumes@feldmanarch.com](mailto:resumes@feldmanarch.com). No phone calls, please!

Cover letter should clearly state the following:

- Relevant residential/commercial design experience
- Level of proficiency with Revit and SketchUp
- Experience, passion or knowledge working on sustainably focused projects

We're committed to empowering a more inclusive community within our company, industry, and city.
